## NEW Boundaries and NEW Borders April 30, 2019 Suzi Armstrong

Jesus blew on the disciples and they stepped into a NEW identity. NEW boundaries and NEW borders come with NEW identity and expansion. God is establishing NEW boundaries and NEW borders in the NEW DAY. Behold God makes all things NEW! In the natural we see there is great conflict at the borders of our nation, the borders of our cities, the boundaries of our states congressional districts. What we see in the natural reflects what is going on in the supernatural. This is A NEW ERA. God is defining NEW boundaries and NEW borders.

When God puts something NEW in us it brings expansion. NEW understanding. NEW connections. NEW skills. NEW release. In this NEW we advance and our change. God gave Moses a rod. He gave David 5 smooth stones. And NEW boundaries and borders were established for God's purposes.

Find God's glory stream in the NEW place where He is moving – this marks the NEW boundaries and borders. Take the "I know that" filter off of your mind and your perceptions. God is opening us up for more and NEW.

Paul experienced God encounter after God encounter under the open heaven over him. These encounters redefined and set A NEW order. God speaks to our heart, exposing and shattering lies, so truth can prevail. When this happens, IMMEDIATELY we can step into the NEW. We have a consciousness of the great things God has done. We may not be fully matured in the NEW thing but we now carry the experiential power to change cultures and cities. It is the same power that brought transformation in us. Our lives are ordered through the life force, the river of God, flowing through us – live streaming continuously.

### Song of Songs 2.9b-14 TPT

<sup>9</sup> Now he comes closer,

- There is a NEW place of intimacy, as deep calls to deep. even to the places where I hide.
- NEW understanding and exposure.

He gazes into my soul,  
peering through the portal

- NEW doors are open.
- NEW pathways have been made.

as he blossoms within my heart.

<sup>10</sup> The one I love calls to me:

The Bridegroom-King

Arise, my dearest. Hurry, my darling.

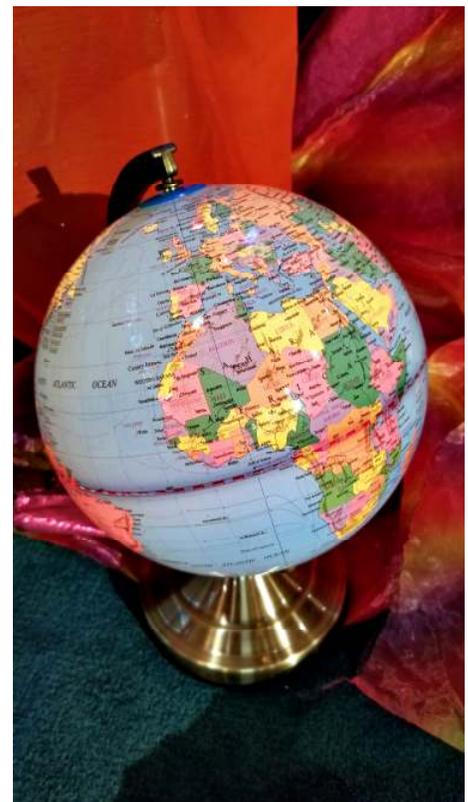

Come away with me!

I have come as you have asked

to draw you to my heart and lead you out.

- Draw means to move continuously toward.
- Bringing us into the NEW where NEW boundaries and borders will be set.

For now is the time, my beautiful one.

<sup>11</sup> The season has changed,  
the bondage of your barren winter has ended,  
and the season of hiding is over and gone.

- It is a NEW era – a NEW time in history.
- What defined and made the boundaries and borders of the old is now gone.
- Do not hide or be afraid of the NEW. A NEW place of trust.

The rains have soaked the earth  
<sup>12</sup> and left it bright with blossoming flowers.  
The season for singing and pruning the vines has arrived.  
I hear the cooing of doves in our land,  
filling the air with songs to awaken you  
and guide you forth.

- There is a NEW sound, hear it.
- A NEW way to move.
- A NEW courage and boldness.

<sup>13</sup> Can you not discern this new day of destiny  
breaking forth around you?

The early signs of my purposes and plans  
are bursting forth.

The budding vines of new life  
are now blooming everywhere.

The fragrance of their flowers whispers,  
"There is change in the air."

Arise, my love, my beautiful companion,  
and run with me to the higher place.

For now is the time to arise and come away with me.

- Destiny, change, NEW – to experience these we must get go and leave the old and enter into the NEW.
- We don't go on or own or make or own way. He goes before us and makes the WAY. Holy Spirit leads us and we follow into the NEW.

<sup>14</sup> For you are my dove, hidden in the split-open rock.

It was I who took you and hid you up high  
in the secret stairway of the sky.

Let me see your radiant face and hear your sweet voice.

How beautiful your eyes of worship  
and lovely your voice in prayer.

- In the intimacy of relationship our mind is renewed, NEW language and thoughts arise and define.

**To Detroit we declare that your boundaries and borders and being reordered by the very finger of God. You are being redefined and set in place for your destiny and purpose. Detroit, you belong to the Lord.**

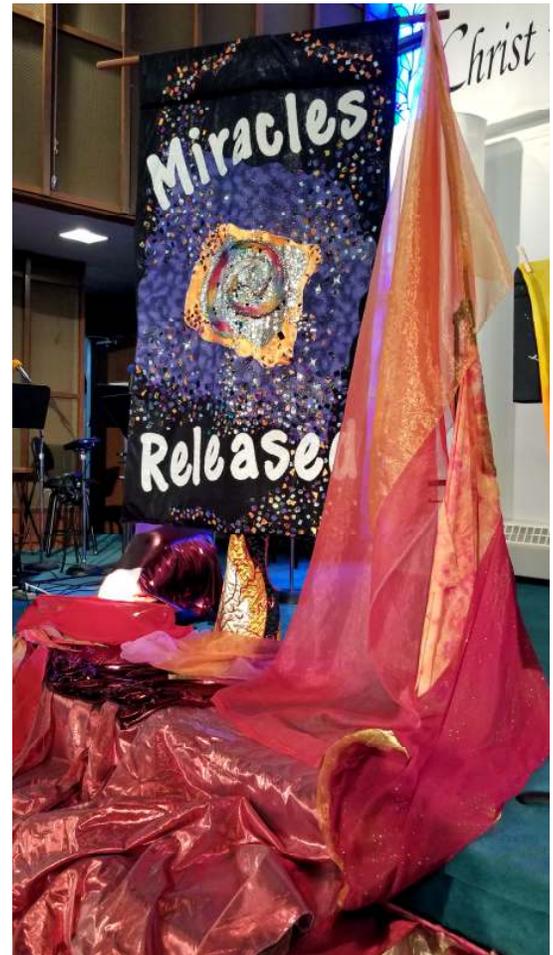

**Song of Songs 8.5-7** TPT Reworded for Detroit

<sup>5</sup> Who is this city? Look at Detroit now!

Detroit arises out of her desert, clinging to her beloved.

When I awakened Detroit,

I awakened the city's innermost being with the travail of birth  
as you longed for more of me.

<sup>6</sup> Detroit, fasten me upon your heart as a seal of fire forevermore.

This living, consuming flame  
will seal you as my city that I love.

My passion is stronger  
than the chains of death and the grave,  
all consuming as the very flashes of fire  
from the burning heart of God.

Place this fierce, unrelenting fire over the entire city.

<sup>7</sup> Rivers of pain and persecution  
will never extinguish this flame.

Endless floods will be unable  
to quench this raging fire that burns within you Detroit.

Everything will be consumed.

It will stop at nothing

as you yield everything to this furious fire  
until it won't even seem to you like a sacrifice anymore.

Detroit, your boundaries and borders will fall in pleasant places as the sound and fragrance of heaven fills your atmosphere and resounds throughout the land. There is **NEW LIFE** in you Detroit. Your appearance has changed. There is **NEW CONFIDENCE** that is rising in the city as you take on your rightful identity. There is **NEW CREATIVITY** is over the city that will bless many.

Detroit, God's hand is moving and establishing **NEW YOU**.
