Enter In

Christ is being formed in us. The old man is dead. We are a new creation in Christ, BEHOLD (look and see) everything is new. God's glory and presence are increasing in us and around us. We are going deeper in intimacy – eye to eye and face to face. There is a portal in heaven that has opened and we have entered. We are becoming a people that have been transformed to such a degree that we carry the glory of the Lord so thick that people can't remain the same when they encounter us. We pray and what we pray is done. God's favor is on us. He is opening doors for us. He is giving us wisdom and understanding through the mind of Christ. We are experiencing the Father's decree, the Son's dominion and the Spirit's demonstration! The kingdom of God is advancing; it is unstoppable.

The glory of the Lord is in us. He is our peace and our strength. We are a people filled with the fire of the Holy Spirit. The fire of the Spirit shall consume the fires of this world. Through Christ we will overcome every stumbling block and every distraction, every circumstance and every obstacle in life. We are carriers of life and hope. We speak and release the sounds of heaven. God is using us to change the future. We carry miracles and God has worked wonders into our DNA and into our lives. By the power of His word He changed the world. By the power of His word we will change our world. God has put us here for such a time as this. Everything will happen because we live before God; we are speaking like Him.

Receive faith right now for a better tomorrow. Arise and shine for your light has come and the glory of the Lord rises and shines on you and through you. This light of this glory brings hope to the world, to the nations and to the people. Everything that God has spoken to us will become a reality. We believe therefore we speak. Let the power of Holy Spirit be on your life. Go to the next level, come deeper and higher. Faith is your portion. Take your place in the heavens high above all power and principalities.

Hebrews 4.1 NIV

Therefore, since **the promise of entering his rest still stands**, let us be careful that none of you be found to have fallen short of it.

- There is an entrance that is open.
- The key word is to enter. We must enter the rest that God has made available to us.
- We must war out of the rest of God. We must enter the rest of God and live in His rest.
- Today when you hear His voice do not harden your heart.
 - Today when you hear His voice, enter, come in and partake.
 - Do not resist or put off or rationalize why this is not the time.
 - God holds time in His hands and He announces the times and seasons.

There is wild warfare going on out there. It is crazy. These are unprecedented times and that can bring fear and unsettledness in our lives. There are times in history when a door opens and God has prepared a people to change history. These are those times, and we are those people. Frenzy and chaos saturate the atmosphere of the world. Great clashes between philosophies are clamoring for more power to control the people and nations of the earth. Yet God is shaking the heavens and the earth once more. He is saying the heavens and the earth are Mine. God is shaking the wickedness out.

“Enter” in Greek means to arise and come into existence, begin to be.

“Rest” comes from a root word that means to make quiet; to grant rest.

- It is a place where you entered the power of God through faith.
- No longer relying on your own strength and power.
- This place of rest forms and opens in the place of intimacy with God.

Romans 4.20-21 NIV

²⁰ Yet he **did not waver through unbelief regarding the promise of God, but was strengthened in his faith** and gave glory to God, ²¹ being **fully persuaded that God had power** to do what he had promised.

- The voice of fear, concern and worry comes to undermine our faith.
- In the rest of God we are FULLY PERSUADED that God is able. No doubt. No thoughts or imagining different scenarios that seem insurmountable.
- David had this different belief system. When he saw Goliath he was not filled with fear but spoke boldly about who God was.
- The sound that we respond to and are filled with is the sound of the promise of God.
- We choose what sound we enter and resonate with.
- We choose what fire we burn with.

Exodus 24.18 NIV

Then **Moses entered the cloud as he went on up the mountain.** And he stayed on the mountain forty days and forty nights.

- God is calling us to enter new dimensions, new places.
 - This past Sunday, the atmosphere, the door in heaven God opened was totally different.
- To enter we must follow and go in and through and on forward as far as Holy Spirit leads us to go.
- Fear and unbelief will be at the threshold to enter. Fear and unbelief must not snare your foot.
- Moses entered, he went in and climbed higher as God called him up the mountain.

Deuteronomy 10.11-12 NIV

¹¹ **“Go,”** the LORD said to me, **“and lead the people on their way, so that they may enter and possess the land I swore to their ancestors to give them.”**

¹² And now, Israel, **what does the LORD your God ask of you but to fear the LORD your God, to walk in obedience to him, to love him, to serve the LORD your God with all your heart and with all your soul**

- We enter to possess, to be given something by God.
- There is an equipping in the entering in – something to receive from the hand of God.
 - The enemy will do everything he can to bring chaos, fear, uncertainty, presumption, lies and accusations to keep you from entering to receive the new God has.
 - In subtle ways it is easy to fall back upon reliance of self instead of God and this keeps you from entering in.
- This is a time and season of entering – to cross the threshold and come into a place.

John 3.5 NIV

Jesus answered, "Very truly I tell you, **no one can enter** the kingdom of God **unless** they are born of water and the Spirit.

- There are qualifications to enter, to join, to come and partake in this new place.
- God sets those qualifications.
- He opens no door before its time.
- The door will not open if we are not ready. This is the goodness of God. If we enter not ready we will not be able to stand.

John 10.9 NIV

I am the gate; whoever enters through me will be saved. They will come in and go out, and find pasture.

- We enter through Christ by the leading of Holy Spirit as the Father makes available the door.

John 11.30 NIV

Now Jesus **had not yet entered** the village, but was still at the place where Martha had met him.

- Jesus did not go to Lazarus before the door was opened by the Father.
- He did not let His emotion dictate His path or His timing.
- When the door was opened by the Father Jesus entered in and called Lazarus from the grave. This glorified the Father.

John 16.28 NIV

I came from the Father and entered the world; now I am leaving the world and going back to the Father.

Hebrews 4.14 NIV

Therefore, since we have a great high priest who has **ascended into heaven**, Jesus the Son of God, let us hold firmly to the faith we profess.

- Jesus was able to ascend and enter into heaven because the doors had been opened.
- We are being called up and up, into and into to receive and be filled with what God has for us in this moment of time.
- He is working His wonders in us as a people.
- Enter into His rest.

Rest comes from walking through and entering into what God has for us NOW. There will be many doors that we can enter through that are not of the Lord. Doors offered by the world and the world systems and structures of belief. These are doors that do not lead to Him.

Enter the doors that the Father is opening and receive.
