## Prophetic Shift In the Winds August 18, 2020 Suzi Armstrong

This past weekend Chuck Pierce spoke at a prophetic conference in Ohio, concerning Ohio and the surrounding states, including Michigan. Here are some key points that he shared.

Right now we are in transition. Transition has 3 phases:

1. **An ending.** Not going to like it because we have to die to something. Because we have come to the end of something you will have to let some things go.
2. **Confusion.** Not knowing what we are doing. This is where we have been. Something has to give for the promise to come forth. Transition is not easy and we need to help each other through. You can get caught and confined in this phase. You have to press through to get to the new place for the release of your future. It is like going through the eye of the needle where your camel has to be unpacked, then the camel has to crawl through a very small opening. After passing through you need to repack the camel. This is a very vulnerable place because thieves can come and steal what you have. We are in the process of coming through the narrow place so we can reload. Those who don't want to go in or go through this will die off inside the constriction. Break off captivity by your words from God. God gives us the ability to adapt so we can make it through. Do what is necessary.
3. **New beginning.** Joshua and Caleb had to wait 40 years in a narrow place where they just went in circles before the new beginning came. To enter the new beginning you have to cross over.

Chuck released an anointing for God's timing so we can shift and come through the narrow place we are in. God says I Am who you need Me to be. Press fully into your future. Command your expected end to come. You can command your future. This is what makes us a prophetic people. God is not in time. Time is a circle. If you don't prophesy and command your future you will be held captive in your past. Tonight is a moment. Move from an accepted time into fulfillment where eternity operates beyond where we are. Faith works in time and place. Acts 17, we have moments / kairos times where we can grasp God and pull Him down and create a new horizon. We are in a place to do this now – the transference we need for the future.

Then Chuck released a prophetic word over the region:

*We are making a shift and coming into the new. The Spirit of revelation is resting on the people and that revelation will come out of their mouths. The Lord says, My people will have sure words. Your words will become a fulcrum force in this nation. Your words will become a leveling force cause the seesaw that is going on in this nation to level out. You will become a leveling force.*

*This is the beginning of My people causing an opening to occur. And where that opening is we say, "I will not stay shut up in the constricted place and allow the future to die". Declare right now, "I will not die and declare the words of the Lord". God says I am penetrating your homes. I am going to come through your windows and doors. I am knocking at the door of your heart. There will be a harvest here.*

*Now the opening of the next season has begun. And I declare the curse has lifted in the region. Now satan has no power to hold the nation captive.*

*The Lord says there will be a harvest here because I am starting to knock. The Lord says find your hubs and connect your hubs because I am starting to move this nation in a new way. I send you forth with the spirit of revelation. Decree that you are breaking forth and all constriction is breaking off of you.*

**To Ohio** – *You will be My fulcrum creating the pivot for the future; the lever to shift this nation into the future. You already have the ability and force to pivot this nation. God is activating that force. Once it is activated you carry it and can release it anywhere. See who you are and how you are going to be used. Declare that you will not remain in this transition place but are coming forth.*

**To Indiana** – *The crossroads that you are, send the wind the right direction. Ohio is the fulcrum and Indiana will cause the wind to shift. Indiana strikes and moves forward.*

**To Michigan** – *Rise up now. For now is your time to say who you are and to advance in My kingdom plan. What has ruled becomes submissive to the new rule.*

**To Kentucky** – *Your race will be won in a winning force. The enemy tried to shut you down and put a lid on you. The lid is coming off right now!*

### **Ephesians 1.17-21** NIV

<sup>17</sup>I keep asking that the God of our Lord Jesus Christ, the glorious Father, may **give you the Spirit of wisdom and revelation**, so that you may know him better. <sup>18</sup>I pray that **the eyes of your heart may be enlightened** in order that you may **know the hope to which he has called you**, the riches of his glorious inheritance in his holy people, <sup>19</sup>and **his incomparably great power for us who believe**. That power is the same as the mighty strength <sup>20</sup>he exerted when he raised Christ from the dead and seated him at his right hand in the heavenly realms, <sup>21</sup>**far above all rule and authority, power and dominion, and every name that is invoked, not only in the present age but also in the one to come.**

The Spirit of revelation is a spirit of discovery. It gives context to what is going on. Revelation opens up vision and you can suddenly see what was invisible to your mind's eye. Now truth is uncovered and you understand. This comes to us through the Holy Spirit who leads us into all truth showing us what is to come. By yourself you would not be able to figure it all out. Jesus said that Holy Spirit will take everything that belongs to the Father and disclose it to us. This is a special privilege that is given to us who believe in Jesus. Revelation allows us to have a kingdom of God conscience and not a worldly conscience – we can see and understand from a kingdom perspective. We set our minds on things above, not on the things of the earth.

### **Song of Songs 4.16** TPT

**Breathe upon me with your Spirit wind.** Stir up the sweet spice of your life within me. Spare nothing as you make me your fruitful garden. **Hold nothing back until I release your fragrance.**

Walking in revelation by the leading of Holy Spirit releases a fragrance. It is the fragrance of victory. It is a fragrance that is the smell of death to enemy who comes to steal, kill and destroy. As we push through this place of transition there is a fragrance that is coming forth. It is the smell of the new, like the smell of leather in new vehicle.

There is a new fulcrum force in the spirit realm. A fulcrum is the place of turning or a turning point. It is a pivot point, a place to turn things. It is in this place we stand and with our mouths we declare and decree the word of the Lord. We speak over our city and our nation and decree a turning to righteousness over this land and over the people. We declare that the prevailing winds have shifted and align with the purposes of God for this time. We declare that the spirit of anarchy and chaos that has come to tear down this nation is shifted into a position of vulnerability and will begin to teeter and fall.

We declare that this nation will come through the narrow place stronger in righteousness. That unrighteous alliances made for the purpose of overtaking this nation and taking it in a direction away from the purposes of God will be exposed for what they are – that they would crumble and fall. That their breath would be taken away and the narrative over this land will be a narrative of freedom and liberty. We declare that evil agendas of control and manipulation connected to this covid virus are shifted into a place of impending exposure and destruction. By the name of Jesus we declare that the back of this covid virus structure is broken apart and shattered. We release healing and wholeness into the land and into peoples lives. I see hearts broken wide open to the gospel message and many turning to Jesus.
