## Resurrection Power May 25, 2021 Suzi Armstrong

The Spirit of God, who raised Jesus from the dead, lives in us!! (Romans 8.11) Father God has put resurrection power in us! And resurrection power is at work in us right now. Paul prays that we will continually experience the immeasurable greatness of God's power made available to us through faith. This is the mighty power that was released when God raised Christ from the dead.

Resurrection power is a picture of the ultimate power of breakthrough. Death could not hold Jesus, the devil and the powers of hell could not hold Jesus. Resurrection power is the demonstration of God's power that disarmed powers and authorities and made a public spectacle of them – triumphing over them by the cross! Paul says that he wants to know Christ and the power of His resurrection. We can walk in this power. We can speak resurrection power through our declarations and decrees that bring God's kingdom government into the earth for His will to be done in the earth. And the God of peace will soon crush satan under our feet. We are to be wise about what is good and be innocent of evil. Another way to say that is hate evil and cling to what is good.

Resurrection power releases the glory, splendor and authority of God. Paul writes that he wants his preaching to release a demonstration of the Spirit's power so that your faith might not rest on man's wisdom, but on God's power. What an incredible and amazing demonstration of God's power! Resurrection power breaks the death structures of satan. Hebrews 7 says that Jesus rose by the power of an indestructible, resurrection life. Resurrection power is indestructible – it cannot be destroyed, period! Resurrection power puts satan under our feet. Satan cannot overcome the power of Jesus' resurrection. ALL power in heaven and earth has been given to Jesus.

What we see in our nation today and in the nations in the earth is great rebellion against God. The rebellion of spiritual forces of evil is evident in every sector of society as God is shaking everything that can be shaken in the heavens and the earth.

### **Psalm 2.1-3** TPT

<sup>1</sup> How dare the nations plan a rebellion.  
Their foolish plots are futile!

<sup>2</sup> **Look at how the power brokers of the world  
rise up to hold their summit**

as the rulers scheme and confer together  
against Yahweh and his Anointed King, saying:

<sup>3</sup> "Let's come together and break away from the Creator.  
Once and for all let's cast off these controlling chains  
of God and his Christ!"

### **Psalm 10.15** TPT

<sup>15</sup> **Break the power of the wicked and all their strong-arm tactics.**

Search them out and destroy them  
for the evil things they've done.

**Isaiah 1.31** TPT

<sup>31</sup> **The “powerful elite” will become like kindling and their evil deeds like sparks—both will burn together** and no one will be able to put out the fire.

Let us stand in the gap and pray together. Let our words come in demonstration of God’s power. We decree over America that God’s rod of authority has fallen against satan and his cohorts that are trying to take America. Evil and wickedness will be fully exposed and come to light. Justice will come and America will be saved! We decree that falsehoods will no longer be allowed to masquerade as facts and define reality in America – truth will be our guide. The church – God’s ekklesia – will persevere in intercession and release God’s decrees until this nation is secure in its God-given identity. America was established by God with a unique purpose and a unique calling. We decree that the United States of America, Michigan and Detroit will choose life.

The ekklesia, the governing body of Christ, will stand undivided in heart and unwavering in faith. We will see the giants in the land come down and be brought to justice. We decree everything hidden will be exposed and truth will prevail. The Lord is a warrior and He has taken a warrior stance over this land and the people of this land. The enemy has been thrown down and the battle belongs to the Lord.

We decree exposure and destruction of death structures and false governmental structures operating in our land. We release the sound of freedom and liberty across this land. We break off hope deferred and fear in the name of Jesus. We declare that the Lord is good and His mercies endure forever! To God alone who does great wonders – His love endures forever! His throne is established on justice and righteousness; fire goes before Him and consumes His enemies on every side. **We say to this nation and the nations of the earth, “The Lord reigns. The world is firmly established and it cannot be moved.”**
