**Stomp!**  
**December 1, 2020**

God released a war strategy through Dutch Sheets – Operation Valkyrie. Valkyrie is defined as a plan to take over a country. This is what satan has been doing in the United States of America through witchcraft, cunning and antichrist spirits. But God says this nation belongs to Him and it is for His purposes. You can check out Dutch Sheets' website to get details of what God showed him.

The Lord says I am enabling you to walk in new ways and in new places. Do not be afraid to move your feet in new ways; I am taking you into new places. The Lord says, exercise your feet – stretch, believe, move and bend for My grace is being poured out on your feet. In this war time I am releasing to you treasures that have been stored in darkness, concealed and stored up for this time. The Lord says I am releasing to your feet the strength to persevere – the power to withstand. It is the ability to stand and keep standing, to walk and keep walking, to stomp and keep stomping.

I see the feet of the Lord stomping across Michigan. Stomping and crushing wickedness; pulverizing powers of darkness and schemes of wickedness and crushing satan under our feet. This stomping that is shaking Michigan is releasing a vibration into the land and into the atmosphere that is breaking apart and uprooting strongholds of darkness. And in the stomping the plunder of the enemy will be released. Get ready to stomp with the Lord. And everywhere your foot stomps will be given to you. A stomp is a crushing blow. It is walking in confidence and surety with boldness like a lion that releases the sound of pursuit, overtaking and recovery of all!

**Isaiah 45.2-3** TPT

<sup>2</sup> **'I will march [STOMP!] out in front of you and level every obstacle.**

**I will shatter to pieces bronze doors  
and slice through iron bars.**

<sup>3</sup> **I will give you hidden treasures from dark, concealed places  
and wealth waiting in secret sites**

so that you recognize me, for it is I, Yahweh,  
the God of Israel, who calls you by your name!

- Hear the footsteps of God for this time just as Adam and Eve heard the sound of God as He walked in the Garden. He is stomping!
- His stomp goes before us and we follow.
- Hear the sound and stomp of advancement.
  - Release the kraken.
  - Matah stick
- Speak to the ground as you walk over it and declare, "Give up your treasures!" Call out for the treasures that have been concealed for this time to be revealed.
- Stomp with expectation.
- Release hidden treasure.

### **Ephesians 4.17-18** NASB

<sup>17</sup> So I say this, and affirm in the Lord, that **you are to no longer walk just as the Gentiles also walk, in the futility of their minds,** <sup>18</sup> being darkened in their understanding, excluded from the life of God because of the ignorance that is in them, **because of the hardness of their heart.**

- Do not walk by the flesh.
- Do not turn to the left or to the right out of fear or arguments that exalt themselves above the knowledge of God. Do not second guess yourself and get off track.
- Walk by the leading of Holy Spirit – for those who are led by the Spirit of God are sons and daughters of God.

### **Psalm 119.133** NIV

<sup>133</sup> **Direct my footsteps [my stomp] according to your word;**

let no sin rule over me.

- This stomp is a stomp of the government of God.
- This is kingdom walking; kingdom stomping.

To Detroit and to Michigan we decree Psalm 85.12-13; <sup>12</sup> The LORD will indeed give what is good, and our land will yield its harvest. <sup>13</sup> Righteousness goes before him and prepares the way for his steps. No one, no spirit, no demon, no power or principality will be able to stand in Your way. Everywhere the Lord stomps, God-sent fear and trembling will precede You! The angel of the Lord will go before us and bring us into the land of the Amorites, the Hittites, the Perizzites, the Caananites, the Hivites and the Jebusites and God will completely destroy them under our feet!

As we stomp and release heaven into the earth, structures that hold the Detroit and our nation are being dismantled; **we decree FREEDOM to our nation!** God is bringing redemption with an outstretched arm and mighty acts of judgment. The lies and corruption that have controlled this nation are being shattered! Truth and righteousness are being instilled into our nation once again. It is a new sound and a new cadence that has risen up; it is the sound of heaven and the sound of war.

I remember and rewrite an old Motown song, "Calling out around the world are you ready for a brand new beat? God is here and the time is right for stomping in the streets! Let's form a big, strong line for stomping in the streets. Oh, it doesn't matter what you wear just as long as you are there. So come on, everyone, everywhere, and follow God's stomping beat! It's a smack, it's a crack it's a jackhammer beat! We're drilling down into the ground to release treasures of darkness to the stomp of His beat. All we need is music, sweet music, heaven's music will be everywhere for stomping, stomping in the streets."

Ha! He who sits in the heavens laughs. The Lord scoffs at the enemy – at those who conspire to take this nation. For God will break them with a rod of iron and a stomping beat. And the enemy will be shattered like earthenware by the stomp of God!
