## Thorough and Dramatic Change May 29, 2018 Suzi Armstrong

Transformation is the operation of change in composition and structure. Characteristics and operation shift. Patterns of behavior and thinking change and become new. Expression, reputation and image become new. There is a new look, a new feel, and a new language that reflects new attitudes. When we are born again EVERYTHING becomes new – the old is gone. This is the transforming power of the gospel. Our composition changes – we now have Christ in us; the Spirit of Christ lives in us! This is radical and dramatic change! The Bible tells us that we now have the mind of Christ. Our thinking is new which changes our behavior and attitudes. Mindsets and belief structures become radically transformed and new. We become rooted in Christ and our lives are now hidden in Christ. We live and move and have our being in Him! Nothing remains the same. We now live by the Law of the spirit of life in Christ Jesus, set free from condemnation. Our identity is made new. The governing power inside of us is Holy Spirit. God's kingdom has now come in us – His rule and His reign. We have been endued with His power and authority in the name of Jesus. We can hear the voice of God and He fills our mouth with words to speak. This is a description of the radical and dramatic transformation of becoming a Christian where our lives were rescued from the dominion of darkness and brought into the kingdom of light. We have been given everything needed to live a godly life! We have been made heirs and joint heirs with Jesus Christ. These are phenomenal truths – radical, comprehensive and complete – bringing total transformation.

### Psalm 24.1-2 NIV

<sup>1</sup> **The earth is the LORD's, and everything in it,  
the world, and all who live in it;**

<sup>2</sup> **for he founded it** on the seas  
and established it on the waters.

- God created the earth – it all belongs to Him, everything in it.
- And all who live in it.
- Detroit belongs to the Lord and all who live in it.
  - The streets belong to the Lord.
  - They are His and He is bringing radical transformation – changing composition and structure. What has been corrupted is being restored. Death structures are being unraveled and broken down. Structures of life are being instilled.

- How is this happening? Through the power of the Lord Almighty. He is not giving up what belongs to Him.
- He is releasing His heart and vision for this city, the people and the land, the structures and composition into us His sons and daughters.
- He is filling our mouths with words and language that bring healing, hope and restoration.
- God is releasing strategy and resources on how to enter the streets and engage the people. How to bring life-giving impact.

<sup>20</sup> **The God of peace will soon crush Satan** under your feet.

**The grace of our Lord Jesus be with you Detroit.**

- We speak the wisdom of God to this city. Wisdom to those leading in godly transformation.
- We declare that evil is being crushed, oppression and divisiveness shattered by the power of God.
- We speak grace, grace to you Detroit.
