Energy That Advances October 15, 2019 Suzi Armstrong

The word of God is alive – it breathes. It is filled with the life of God. It moves; it is not stagnant. When the angel came and stirred the water, the water moved. It was filled with life, and the first one who entered into that living moving water was healed. There is a wind of the Spirit that blows, moving and advancing the purposes of God. The anointing or unction of Holy Spirit comes on us as believers as the energy of God to do something specific. Energy is the capacity to perform or accomplish – it is supernatural advancement or movement. Energy is power that is made available.

Detroit was just saturated with the word of the gospel. Door hangers with the gospel message were put on every house. The gospel was released to every home – whether Christian, Jew, Muslim, Hindu or atheist. The word of the gospel saturated Detroit. Prophetically Detroit was immersed or baptized in the word of the gospel message. Every street, every neighborhood, every community was included. The word of the Lord is alive with the energy of God – filled with His breath that brings life and has been infused into the city. NOW Detroit can speak to the nations with a new power and provision that came through being baptized in His word – the gospel that sets the captives free and brings life.

Hebrews 4.12a TPT

¹² **For we have the living Word of God, which is full of energy** and it pierces more sharply than a two-edged sword...

- The living breathing word that is filled with ability to accomplish.
- The word does not return void.
- God watches over His word to perform it.
- The water of the word washes.

God fills our mouth with His word, and He says that His word is like fire that consumes what would try to stand against the word of God advancing. There is a dynamic energy in the word of God that releases God's governing power. Can these dry bones live? As the word of the Lord is prophesied into the dry bones, the bones rose up with life and came together. The bones came to life and stood as a vast army ready to advance. How could this happen? By the supernatural power of God that is in His word that He speaks. The sound of heaven carries supernatural dimensions that bring about God's purposes. Sound saturates and penetrates the atmosphere, it goes into the hearts of man, it resounds and echoes the desires of God. Saturday night at Cross Immersion a supernatural sound of God was released. It was the sound of advancement. It was filled with the energy of God. It was not orchestrated by any man or the leaders of Cross Immersion. It was orchestrated by the Holy Spirit. This sound carried the governing power of God. It went out into the region and throughout Michigan to accomplish God's purposes. One of the people in attendance saw a vision. She saw horses come into the atmosphere and on the horses was the army of God.

Prophetically this is all very significant. God is showing us signs of the time we are in and how His word is advancing. There has been a significant shift in the region and in the heavens. There is a new alignment. A new atmosphere. A new sound has been released. A new momentum. A new energy to accomplish and advance. It is a critical time to stay aligned to the moving of Holy Spirit. There is acceleration. A highway is being formed for the army of God. We as the people of God and Detroit as a city have shifted. There has been a baptism in the word and a new power released.

Isaiah 45.1-3 NIV

¹ **This is what the LORD says to his anointed,**

to Cyrus, whose right hand I take hold of
to subdue nations before him
and to strip kings of their armor,
to **open doors** before him
so that gates will not be shut:

² **I will go before you**

and will level the mountains;
I will break down gates of bronze
and cut through bars of iron.

³ **I will give you hidden treasures,**

riches stored in secret places,
so that you may know that **I am the LORD,**
the God of Israel, who summons you by name.

- We are in a season of inheritance. Where God is giving things because we know who we are as sons and daughters. The whole earth has been groaning for the sons and daughters to arise.
- He is building a people who are attached to His voice, to the very breath of God.
- I am alive because He speaks, because He breathes on me. Something in me comes alive every time He speaks.
- God says, I will go before you. I will make straight the crooked places. I will shatter what is keeping you from advancing. I call you by your name.

Isaiah 62.10 NIV

¹⁰ **Pass through, pass through the gates!**

Prepare the way for the people.

Build up, build up the highway!

Remove the stones.

Raise a banner for the nations.

- Banners have a sound – they declare a word – it is a word of victory.
- It is a banner for nations to see and align to the sound of heaven.

Psalm 24.1-2, 7-10 TPT

¹ **God claims the world as his.**

Everything and everyone belongs to him!

² He's the one who pushed back oceans

to let the dry ground appear,

planting firm foundations for the earth.

⁷ So **wake up, you living gateways!**

Lift up your heads, you ageless doors of destiny!

Welcome the King of Glory,

for he is about to come through you.

⁸ You ask, "Who is this Glory-King?"

The Lord, armed and ready for battle,
the Mighty One, invincible in every way!

⁹ So wake up, you living gateways, and rejoice!

Fling wide, you ageless doors of destiny!

Here he comes; the King of Glory is ready to come in.

¹⁰ You ask, "Who is this King of Glory?"

**He is the Lord of Victory, armed and ready for battle,
the Mighty One, the invincible commander of heaven's hosts!
Yes, he is the King of Glory!**
