

# ***DECLARATION***

I'm in person, here and now. And here and now the Holy Spirit lives in me and dwells in me. And because He dwells within me, He takes me up into a new dimension. The Holy Spirit in me takes me up into a new position in Christ. I am joined with Christ in the heavenly places. We are in one spirit. I'm seated with Him in the heavenly places. We are one spirit.

In person I'm in Detroit, but because of the spirit dwelling in me, I'm in the heavenly place. I'm in two places at the same time. I'm touching a new dimension. I'm here on the earth, *and* I'm in heaven.

Jesus said, "Pray in such a way: Thy kingdom come, Thy will be done on earth as it is in heaven." So my task is not only to pray but to *be the answer* to my prayer.

I live in the spirit; I *know* what is in heaven. I live in the spirit; I touch the heavenlies. I live in the spirit; I touch the One who sits on the throne. I know what is in heaven, and I can bring it down. I do not pray what I don't know. I pray down what I know – what I received; what I've embraced. I bring it into reality.

I pray, "Thy kingdom come, Thy will be done on earth as it is in heaven." In the spirit I see it as it is in heaven. I see Him – I see Jesus crowned with glory and honor, King of kings, Lord of lords. I touch Him; I learn from Him. He is a prophet. He is a priest. He is King.

I'm of the order of Melchizedek in the heavenly places. I share His ministry as a great high priest. I'm a priest unto Him; I can minister out of that order. He is the King of kings; I minister out of that order. He is a prophet; I speak on His behalf.

So, while I'm in person, I receive from the Lord, and I also deliver to others. In the spirit, I draw from Him. I don't draw from the world. I'm in this world, but I'm not of the world. I'm of the spirit world. I receive of the Lord. I draw from Him and give to others.

I have a consistent supply. As a person living in this world, taking from the world, I have only scarcity. But I have abundance in Christ. I have been blessed with every spiritual blessing in the heavenly places. I don't look for blessings; I have been blessed with blessings. God has commanded all the blessings to overtake me. So there is nothing the world can offer that I don't have through a better order.

Everything I need from life I do not draw from this world, I draw from Him, because He is my source. He is my life. In Him I live and move and have my being. In fact He lives *in* my being – the Holy Spirit dwells in my being. As the Holy Spirit moves, and as I draw from Jesus, I have a measure others don't have. I have Jesus in my heart and in my spirit, but I also have Jesus in the heavenly places. He is joined to me, so I have life; I have life abundantly.

What I deliver to the world, the world has not seen, because I do not take it from the storehouse of the earth. I have my storehouse in the spirit world, behind the veil; behind my flesh. When I put my flesh to an end, the Holy Spirit dwells within me. I pass through that veil, and I'm joined to Christ. What He has, I have. We interact; we connect, and what He has, He releases to me.

So the world says to me, "Where did this man get such authority? Where did this man get such revelation? Where did this man get such wisdom?" Christ is wisdom for me. Christ is sanctification for me. Christ is righteousness for me. Christ is everything for me. It is no longer I who live, but Christ lives in me.

There is so much of heaven that wants to invade my body and pass through my life. I have two dimensions: I live in the flesh, in person, and I live in the spirit. The amazing thing is that I can be in person *and* operate in the spirit. This is a whole new level of living. And this is the level I'm staying in!
